

REAL ESTATE DIRECTORY

CITY OF EDMONTON

BULLETIN PRESS

EXPLANATIONS.

The Real Estate Directory of the City of Edmonton has been compiled with the view of curtailing the expense of printing as much as possible.

Foreign addresses only are given. Where no addresses are given opposite the names of the owners the same reside in the City of Edmonton and can be traced from the City Directory or Voters' List.

The Directory commences with the Groat Estate (River Lot 2) and follows the different subdivisions in their order down the river to River Lot 26 at the mouth of Rat Creek and thence to Norwood and Parkdale.

Each subdivision is given by the order of the blocks and lots.

To save the work of the printer, the numbers of the lots are not given in full, only at about every tenth figure and at the end of each block. By running the eye up and down the lot numbers, one can easily get at the correct number required.

Edmonton, Mar. 13th, 1909.
